PERSONAL DETAILS

Full Name	Ra'fat Ahmad Ali AL–Msie'Deen
Nationality	Jordanian
Place of Birth	Tafila, Jordan
Marital Status	Married

RESUME

My name is Ra'Fat Al-Msie'Deen and I am an Associate Professor at the faculty of information technology in the department of software engineering at the Mutah University, Al Karak – Jordan. I received my PhD in software engineering from the University of Montpellier 2, Montpellier – France, in 2014. I received my Master's degree in Information Technology from University Utara Malaysia, Kedah – Malaysia, in 2009. I got my B.Sc. in Computer Science from Al-Hussein Bin Talal University, Ma'an – Jordan, in 2007. I have several publications in international journals, conferences and books. I taught several courses in computer science and supervised several B.Sc. students.

EDUCATION

PhD in Computer Science June, 2014

University of Montpellier, Montpellier - France

Specialization: Software Engineering

Topics: Software Engineering and Software Product Line Engineering.

Master of Science – Information Technology March, 2009

University Utara Malaysia, Kedah – Malaysia

Topics: Requirements Model, Systems Analysis and Design, and Advanced Programming.

GPA: 3.85/4

Bachelor of Computer Science September, 2007

Al-Hussein Bin Talal University, Ma'an – Jordan

GPA: 72.94%

The General Secondary Education Certificate August, 2004

Grandel Secondary School, Tafila - Jordan

Scientific Stream - GPA: 76.9%

MANAGERIAL EXPERIENCE

Head of the Department of CS September, 2020 - September, 2021

Head of the Department of Computer Science, Faculty of Information Technology at Mutah University.

ACADEMIC AND TEACHING EXPERIENCE

Associate Professor September 22, 2019 – Present

Mutah University, Karak - Jordan

👉 Taught Courses: Bachelor and Master Levels

Bachelor level: Software Engineering Fundamentals, Requirements Engineering, Software Documentation, Software Architecture and Design, and Graduation Project.

Master Level: Advanced Software Engineering.

Assistant Professor February 24, 2016 – September 22, 2019

Mutah University, Karak - Jordan

👉 Taught Courses: Bachelor Level

Software Engineering, Computer Organization and Design, Introduction to Information Technology, Database Systems, Internet Programming, Special Topics In Computer Science, Communication Skills, Algorithms, Systems Analysis and Design, Theory of Computation, and Logic Circuits Design.

Full-Time Lecturer September 22, 2014 – February 24, 2016

Mutah University, Karak - Jordan

👉 Taught Courses: Bachelor Level

Decision Support Systems, Operating Systems, E-Commerce Programming, Computer Skills (I), and Computer skills (II) - Visual Basic.

Full-Time Lecturer March, 2009 – December, 2011

Tafila Technical University, Tafila – Jordan

👉 Taught Courses: Bachelor Level

Computer Graphics, Logic Circuits Design, Computer Skills (1), Computer Skills (2), International Computer Driving License "ICDL", Java Language, C++ Language, Database, Information Retrieval Systems, Management Information Systems, Internet Programming, Systems Analysis and Design, Multimedia Systems, Software Project Management, and Graduation project.

Part-Time Lecturer September, 2010 – June, 2011

Arabian Education and Training Group, Amman – Jordan

Program Name: "High Diploma in Information and Communication Technologies in Education ICTE"

👉 Taught Courses:

Web Design, Graphical Design, and Graduation project.

Teacher of Computer Science October, 2007 – February, 2008

Ministry of Education, Tafila - Jordan

👉 I taught computer science at Busira secondary school for boys, Busira - Jordan.

OTHER EXPERIENCES

- Chair of the postgraduate committee: Dept of CS at Mutah Univ - (September, 2020 - Sep., 2021).
- Member of MaREL team (Models and Reuse Engineering Languages) - (January, 2012 – April, 2014).
- Member of organization committee for the ECOOP, ECSA and ECMFA conferences - (July 1-5, 2013).

PHD DISSERTATION

Reverse Engineering Feature Models From Software Variants to Build Software Product Lines: RIVEPLINE Approach. (University of Montpellier, Montpellier - France)

MASTER THESIS

A Requirement Model of Local News WEB/ WAP Application for Rural Communities. (University Utara Malaysia, Kedah – Malaysia)

SCHOLARSHIPS

A scholarship by the JOSYLEEN project - Erasmus Mundus Action 2 towards PhD in computer science during the period of 2012 – 2014, Montpellier – France

ACADEMIC REFEREE

Marianne Huchard	Universitè de Montpellier @ Montpellier - France.
Wan Osman	Universiti Utara Malaysia @ Kedah - Malaysia.
Christelle Urtado	LGI2P/Ecole des Mines d'Alès @ Nîmes - France.

SKILLS

Languages	Arabic (mother tongue) English (reading, writing and conversation)
Certificates	International Computer Driving Licence (ICDL: UN07097892)
Programming Languages	Java, Python, C++, HTML, Java Script, Oracle, ASP.NET, PHP
Software engineer skills	Teamwork, Communication Skills, Leadership, Problem solving, ...
Workshops	Jordan Instructional Design Workshop - 2019 Workshop on Model-based Systems for Industrial Applications - 2008
Software	Matlab, LaTeX, Director, DreamWeaver, Photoshop, ...

RESEARCH INTEREST

My research is primarily concerned with software engineering. In particular, my interests include:

1. Software Product Line Engineering (SPLE).
2. Formal Concept Analysis (FCA).
3. Software Documentation.
4. Software Visualization.
5. Software Comprehension.
